IUSF-TIAS Autumn School 2015

Excursion

Dr. Antje Goedeking
Wasserverband Eifel-Rur
Water management of rivers around Jülich

1 - Rur Jülich
2 - Inde Jülich-Kirchberg
3 - Opencast mine 'Inden'
1. Near-natural reconstruction Rur in Jülich
Naturnaher Rückbau Rur Jülich

Measures executed in 1995/96

- Broaden the river course
- Install dynamic gravel banks (in water) and islands
- Near-natural reconstruction of river banks with hardly no bank protection
1. Near-natural reconstruction
Rur in Jülich
