Serious Games

Bettina Koelle

Senior Learning Specialist,
Red Cross Red Crescent
Climate Centre

Why can serious games be useful?

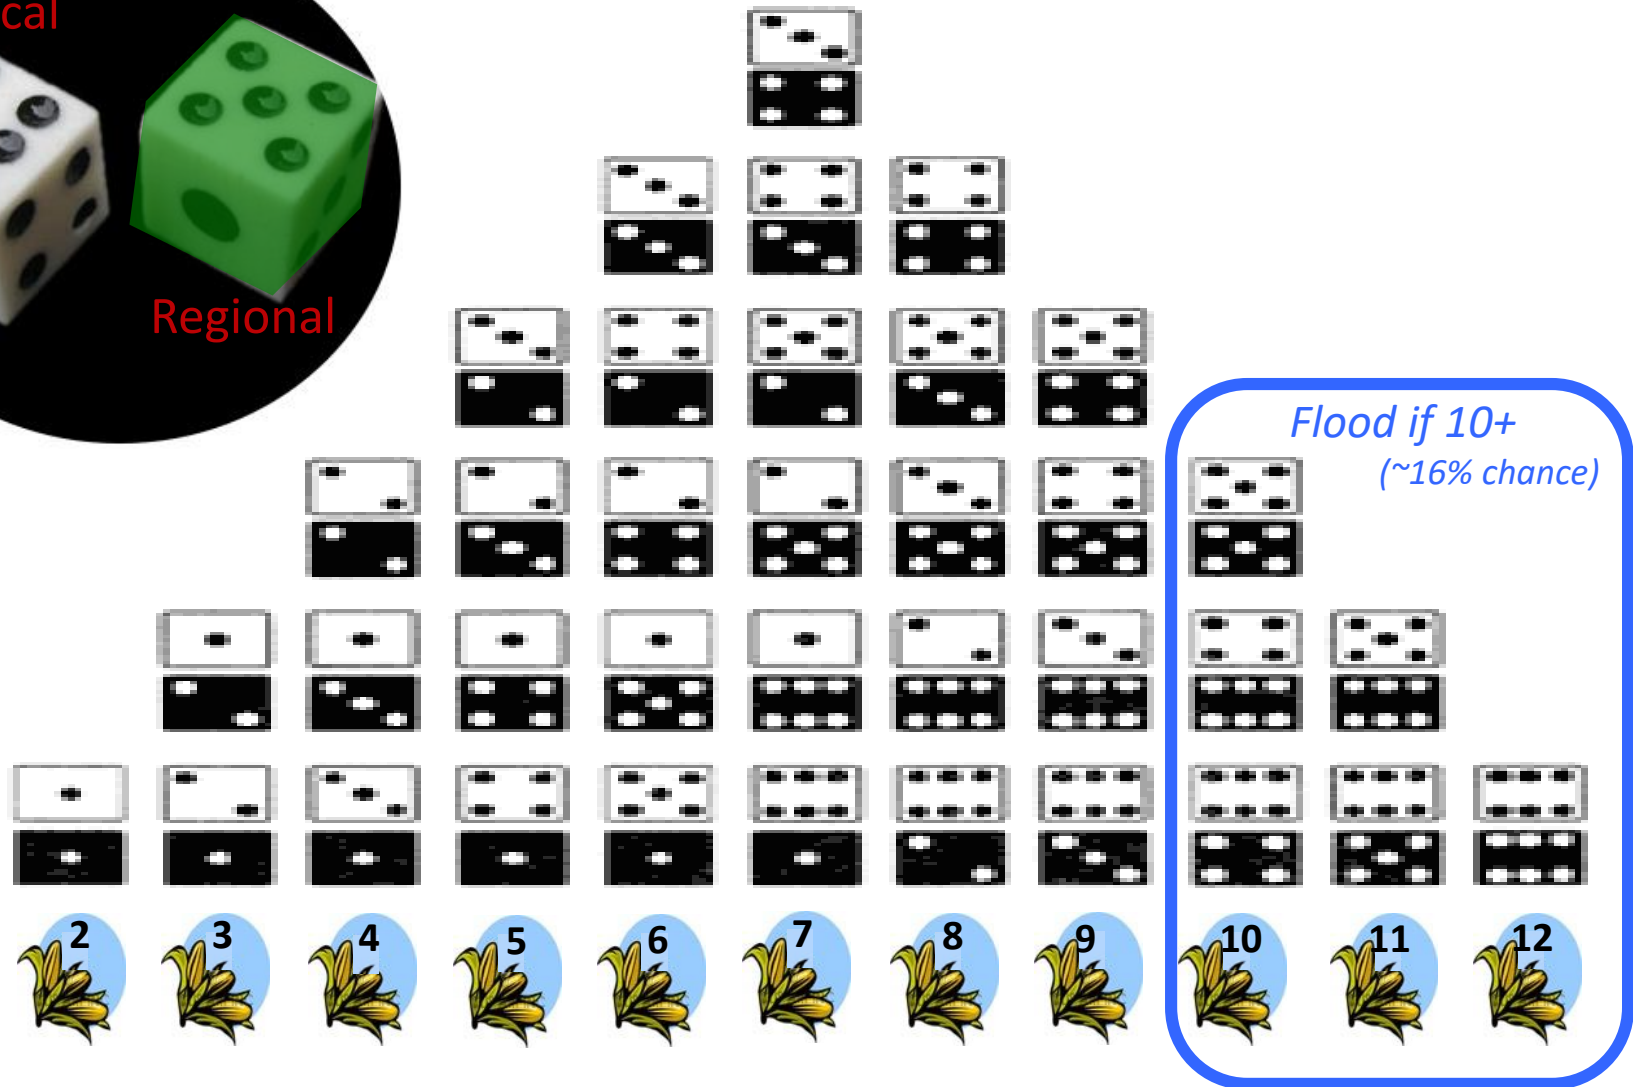

Paying for Predictions

A game on information, decisions and consequences

PARTICIPATORY!
(EXPECT CONFUSION)

Local Climate in Regional Context

YOU →

(RED CROSS WORKER)

Early Action

Stand up for Flood Preparedness:
Pay 1 bean before rains

Wait & See

Stay sitting (doing non-disaster tasks):
Pay nothing

Types of serious games

Process Design and games

Facilitation
